**Public comment held:** Mike Sturdak, owner of Nine to Five Computers, presented to the Board a bid for the IT position at the Township. Our current IT company is I.T. Right. They are eliminating the per/hour as needed rate and having all clients do a annual contract with them. Bill Tucker our Code Enforcement officer recommended Mike and the Board wanted to get someone local.

Motion made by Andres, supported by Morgan to approve the contract with Nine to Five computers. The Board elected to go with the \$2500.00 annual contract which allows for more on site time which will most likely be needed to get the networking and server organized. The Board will evaluate in a year which level of contact we will need in future. Motion carried.

Motion made by Bennett, supported by Morgan to approve the purchase of a door mount mail drop box for the Township for upcoming tax season and elections. Limit of \$500.00 set for the project. Motion carried.

Public Hearing for special land use permit application by co-applicants Bill Stronks and Amy Wilson-Stronks from Agriculture to M-1 for equestrian center allowing horses for riding, petting farm, and lodging for a Farmstay Experience was rescheduled for June 22, 2020 at 7:30p.m..
